

IFFA 2022**The MOGUNTIA FOOD GROUP will not participate at the IFFA 2022, Frankfurt on the Main**

Dear business partners, dear customers,

After careful consideration, we have decided to cancel our trade fair appearance at this year's IFFA.

This may seem to be a last-minute cancellation. However, recent political developments in the Ukraine conflict, the significant impact on our entire business in Eastern Europe and Russia, and the unwillingness to travel due to Corona have prompted us to make this decision.

Even though we will not be present with our own stand, we will be fully present on the digital trade fair platform and present the innovations from our company. We will also be happy to answer any further questions about our products, our company, or our services.

Thank you for your consideration.
